" First Stage will be the battle of the ' sprinter ' ( rider in flat track specialist ) . Besides these long , fairly hot weather conditions will determine the physical toughness riders to the finish line , " said Secretary of the Organizing Committee Harijanto Tjondrokusumo TdEJ 2013.

Continental teams like Iran Tabriz Petrochemical , Terengganu Malaysia , and Aisan Racing Japan is known to have a powerful rider in flat track .

Separately , Christopher Anthony Polygon Sweet Nice Team Manager ( PSN ) says his team is ready to perform optimally in the first stage of a long day , but still trying to save energy to face the weight on the next two stages .

" We hope that no rider who sell energy , but still strive to provide resistance to achieve maximum results . 's Long stage with a flat track , but the next two stages will be quite heavy because the route is uphill , " he said .

According to him , the race route flat , most of the teams will implement strategies by placing one or two riders to attack , while the other riders especially the " climber " focused compete safely to save energy .

"Children should not be provoked , especially our two sprinter Dealton Agung Nur Prayogo and Riyanto . Unless there is an opportunity to attack with , we 'll take it , " added Christopher .

In addition to the two local riders , PSN is now the continental status through the Irish nation , reinforced three foreign riders are all " climber " ( specialist incline ) , the Oscar Pujol Munoz ( Spain ) , Ryan Sherlock ( Ireland ) and Sergey Kuzmin ( Kazakhstan ) . ( Ant / IPG )
