menjelan the finish line , the fourth rider recorded 2 minute gap .

Entry 30 Km before the finish line , the time gap between the four riders of the group leader with increasingly narrow , which is 1 minute , 13 seconds . One rider who leads the race , Yang Wu Hsing and Nikolai Zaitsev finally got caught by a big group at 25 Km ahead of the finish .

Composition leader racer back turned at 20 Km towards the finish line . This time seven riders lead . The seven riders , among others , Yasuharu Nakajima (Aisan Racing Team) , Loh Sea Keong and Ho Jungrong of OCBC , David Clark and John Kronborg Ebsen of Synergy Team Raw and Ukyo duo , Yukihiro Doi and Jose Toribio Alcolea .

Since 20 Km from the finish , riders began to rise and offered a meandering route . No wonder that a large group eventually split into several parts . At 15 Km the end , there are two small groups who led the race .

Manoeuvres Toribio Alcolea make it a single leader up to 10 Km ahead of the finish . Team rider behind Ukyo there are three drivers , the Day Fitrianto (CCN Brunei) , and the duo Synergy Baku Azerbaijan , David Clarke and Kronborg Ebsen .

Increasingly sharp incline actually ' punish' the drivers . This time two riders Ukyo , Tomoya Kano and Yukihiro Doi had raced into the second group . Up to 5 Km terahir , Alcolea still lead alone . He finally managed to finish first followed Fitrianto Day and David Clarke .

Stage II itself is colored route climbs . The racers had to travel along the 84.5 km route , which start at GOR Delta Sidoarjo and finish in Tosari , Pasuruan . [Sya]
